

INTRODUCTION TO SP PROJECTS: 2009 - 2010

MAIN COORDINATIONS AND ALLIES:

In the early months of 2009, Peru Solidarity coordinated and promoted strategic alliances with the Public Institutions of North Lima, especially with those responsible for Education, Health and Nutrition and the Rights of Children and Adolescents.

Health Networks of North Lima: The Rimac, Tupac Amaru and Puente Piedra, covering the 82 Health Facilities that North Lima has in the 7 districts that are involved in our projects.

Guidance and Director Tutoring - Ministry of Education DITOE.

Local Education Management Units 02 and 04, for intervention in Educational Public Institutions in North Lima.

Director of Children and Adolescents - DINNA Ministry of Women and Social Development.

Municipal Defenders of the Children and Adolescents of the districts of North Lima.

TIMELINE FOR OUR ACTIVITIES:

PRESENTATION OF THE PROJECT:

THE PROJECT APPROVED BY THE MINISTRY OF EDUCATION WAS PRESENTED TO THE AUTHORITIES AND PUBLIC INSTITUTIONS INVOLVED.

Directors of the 56 Public Educational Institutions from Ugel 2 and 4.

As part of the schedule for our Projects in 2009 - 2010, we coordinated with the Directors of Public Schools from the Local Education Management Units 02 and 04 of Northern Lima in meetings during March and April 2009.

In the premises of the Rimac Health Network, we presented our projects to the Directors of Public Schools from Ugel 02 from the districts of Rimac, San Martin de Porres and Los Olivos.

In Ugel 4 in Comas, we presented to the Directors of Public Schools of the districts of Comas, Carabayllo, Puente Piedra and Ancon. The meeting was also attended by promoters of the Ugel Tutoring since 2008, coordinating joint activities.

Medical Chiefs of 43 Health Facilities of the 3 Networks.

REGISTRATION IN THE PERUVIAN AGENCY OF INTERNATIONAL COOPERATION

After submitting the relevant documentation to the Ministry of Education and obtaining approval for our two-year project, the Peruvian Agency of International Cooperation issued the Resolution N ° 179-2009/APCI-DOC dated May 14, 2009.

SUMMARY OF PROPOSED INTERVENTIONS:

IN EDUCATION

CAMPAIGN 1: “FOR THE RIGHT OF IDENTITY”

It aims to train teachers in first and second grade of primary school to raise awareness of the importance of the right to an identity and this will enable coordination for obtaining Birth Certificates and access to comprehensive Health Insurance.

These seminars, which included students and parents, gave guidelines and formats to use to record the registration status of Birth Certificates and obtain Integrated Health Insurance. Information was then processed by SOLIDARITY PERU for submission to the National Register of Identity RENIEC and the Municipal Defenders.

A SEMINAR TO TRAIN 40 TEACHERS OF THE DISTRICTS OF INDEPENDENCIA, LOS OLIVOS AND SAN MARTIN DE PORRES IN THE NATIONAL ENGINEERING UNIVERSITY.

During April and May 2009 over 30 first and second grade teachers of public schools from UGEL 02 of the districts of Independencia, Los Olivos and San Martin de Porres in Northern Cape Lima were trained in seminars on how to promote the campaign “For the Right to a Name and Identity” at the Auditorium of the Faculty of National Petroleum Engineering University. (April 29, 2009).

A SEMINAR TO TRAIN 100 TEACHERS OF THE DISTRICTS OF COMAS, CARABAYLLO, ANCÓN, SANTA ROSA AND PUENTE PIEDRA IN THE PRIVATE UNIVERSITY “CESAR VALLEJO”

100 Mentoring Teachers and Promoters from the districts of Comas, Carabayllo, Ancon, Santa Rosa and Puente Piedra from UGEL 04 who were not available in April, were trained on how to promote the campaign “For the Rights to Name and Identity” in the main auditorium of the Private University “Cesar Vallejo”. (May 6, 2009) SOON: We will have a Directory of all the Educational Institutions and Health Facilities participating in the Project from 2009 - 2010 throughout North Lima.

CAMPAIGN 2: “FOR THE RIGHT TO A HEALTHY LIFE – HEALTHY LUNCHBOXES”

This campaign aims to promote healthy eating habits through nutritious lunchboxes. The training delivered formats, guides and children’s stories to implement in the classroom tutorial sessions.

This campaign involved active participation of Health Facilities for the control of weight and height, and Health Networks to discuss nutrition and preparation of healthy lunchboxes.

Our institution is donating basic kits with medical instruments to monitor growth and development of children in various health facilities in North Lima.

A SEMINAR TO TRAIN 40 TEACHERS IN THE DISTRICTS OF INDEPENDENCIA, LOS OLIVOS AND SAN MARTIN DE PORRES - AUDITORIUM OF THE UGEL 2.

CAMPAIGN 3: “PROMOTING KINDNESS”

The objective of this campaign is to promote in schools and at home a list of good treatment to girls and boys, recognizing their rights and promoting a culture of peace. In this campaign materials for class sessions were delivered to permanently promote good treatment and improve the mental health of children.

A SEMINAR TO TRAIN 150 TEACHERS IN THE DISTRICTS OF COMAS, CARABAYLLO, ANCON, SANTA ROSA AND PUENTE PIEDRA – AT THE MUNICIPAL AUDITORIUM OF COMAS.

IN HEALTH

SEMINARS TO TRAIN DOCTORS, NURSES AND TECHNICAL STAFF IN HEALTH FACILITIES IN NORTH LIMA.

These seminars are intended to promote the rights of children and adolescents inside the medical centers and Healthcare Facilities.

This is done by professional specialists of the Ministry of Health in the areas of Neurology, Nutrition and Nursing to address issues that will improve the quality of care.

SEMINAR of the “Tupac Amaru” NETWORK, in the districts of Independencia, Comas and Carabayllo, attended by 70 Professionals, in the auditorium of the Santos de los Ultimos Dias de Tahuantinsuyo - Independence.

SEMINAR of the Health Network “Tupac Amaru”, of the districts of Independencia, Comas and Carabayllo, attended by 70 Professionals, in the auditorium of the Church Santos de los Ultimos Dias de Tahuantinsuyo - Independencia.

In coordination with those responsible for the Children’s Growth and Development Project, meetings and seminars with the Hospital Directors and Chief Medical Officers of Health Facilities were had during February 2009.

SEMINAR OF THE “PUENTE PIEDRA” NETWORK, of the districts of Puente Piedra, Santa Rosa and Ancon, attended by 50 Professionals, in the auditorium of the Puente Piedra Hospital.

SEMINAR of the Health Network “PUENTE PIEDRA”, of the districts of Puente Piedra, Santa Rosa and Ancon, attended by 50 Professionals, in the auditorium of the Puente Piedra Hospital, March 2009.

We presented the Project for 2009 and 2010 with the characteristics of the campaigns where we will work with Health Centers and Educational Institutions. With the participation of head Doctors, Nurses, medical professionals and technicians from the Health Centers in the districts of Ancon, Santa Rosa and Puente Piedra, we can promote Growth, Child Development, Health and General Medicine.

DONATION OF MEDICAL EQUIPMENT

This year, in alliance with the French association “Collectif Indépendance”, SP has donated a basic kit with medical instruments to monitor Growth and Healthy Child Development to 11 health facilities in North Lima.

These donations will allow a better evaluation of weight and height for more than 6,000 children that are attending health facilities and also the information will be distributed to their schools.

Rímac Network.

Túpac Amaru Network.

Puente Piedra Network.

INTERNATIONAL VOLUNTEER PROGRAM

Thanks to the alliance with the Association “Collectif Independencia”, a group of five young French SCOUTS belonging to the City of Grenoble, France participated in an Exchange Program at the Maternal and Child Health Centre “Juan Pablo II” of the district of Los Olivos - Health Network “Rimac”.

This exchange assisted SP in the Growth and Development of a Healthy Child and the donation of medical equipment. A great experience was had by the young French scouts and the medical center staff. For next year, two groups of young French scouts are visiting and supporting other health facilities in North Lima.

CAMPAIGN “BACKPACKS OF SOLIDARITY”

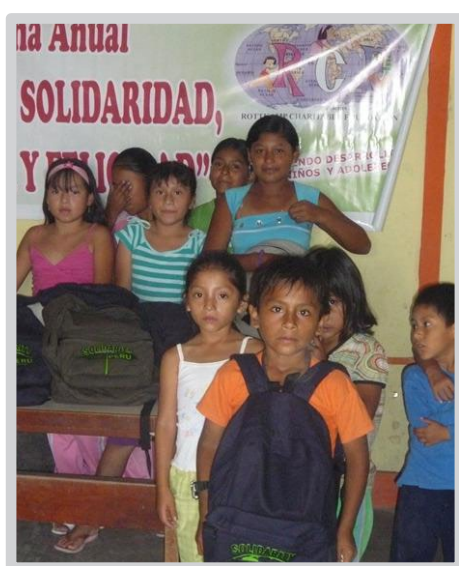

Since November 2008, in the United States of America began the fundraising campaign to deliver 200 backpacks to working Children and Adolescents who live in extreme poverty. These backpacks were distributed in North Lima districts with the support of the City Halls of Independencia and San Martin de Porres, SOS Children’s Villages - Comas and the Health Network of Puente Piedra.

120 Working Children and Adolescents in 4 Schools of the district of Independencia.

25 Children and Adolescents of 3 Schools of the district of San Martin de Porres.

25 Children who live in extreme poverty of the Shanty Town Las Casuarinas - Comas District, in coordination with SOS Children's Villages.

30 Children and Adolescents in the Districts of Puente Piedra, Ventanilla and Ancon, in coordination with the Health Network "Puente Piedra".

COMPREHENSIVE HEALTH FAIR FOR WORKING CHILDREN AND TEENS

As part of promoting healthy living and in partnership with the City of Independencia, DEMUNA organized the Comprehensive Health Fair aimed at working Children and adolescents, providing these services: Weight and Height, Screening for Anemia, Dental Cleaning, Nutrition, Hair Cuts, Eye Exams, Information about Rights, among other services that were in alliance with the health facility "El Ermitaño Bajo", the Medical Office of the Independence Police Station, Grupo Gloria, NGO "CESIP" and "CEDRO", Institute "EIGER", National Institute of Ophthalmology - INO, Psychotherapy Center of Lima, among others.

Over 150 working children and adolescents benefited from the fair.

COMPUTER EQUIPMENT DONATION FOR REGISTRATION OF WORKING CHILDREN AND ADOLESCENTES

In partnership with the Association “Gières - Pérou” from the city of Grenoble France, computer equipment was donated to the Municipal Advocacy Office of Children and Adolescents of the City Hall of Independencia, in order to develop a registry of working children and adolescents to promote projects and programs to eradicate child labor.

TEACHER TRAINING IN INDEPENDENCIA

As part of the ongoing work with the district of Independencia, 8 Schools have joined Solidarity Peru's project, in which the French Association “Gières-Pérou” is implementing School Libraries and Reading Rooms with Furniture.

In this event 40 teachers from 8 schools have received seminars in the auditorium of the City Hall of Independencia.

SEMINARS TO DISCUSS CHILDREN AND ADOLESCENTS RIGHTS

In coordination with Ugel 02 and 04, seminars were organized for teachers who defend and promote the rights of children and adolescent in the Educational Institutions of North Lima.

Training for teachers of UGEL 4 - Comas

Training for teachers of UGEL 2 - Rimac

PARTICIPATION IN THE INTERSECTORAL PROMOTION TABLE OF THE SCHOOL DEFENDERS - DESNAS

As part of the strategy to promote the rights of children and adolescents in North Lima, has been participating in the call made by the Local Education Management Unit 04. It has done so far 3 sessions, workshops for students, principals and teachers to make a diagnosis of the existing School Defenders in this jurisdiction.

ART PARTY – ALLIANCE WITH HIROSHIMA, JAPAN

In partnership with the NGO “Ant-Hiroshima”, SP organized for the second consecutive year, a drawing and painting contest in three schools in the district of Independencia, with children and adolescents. To this end, the Foundation “Rottkamp Charitable Foundation” sponsored classes teaching art techniques and also promoting peace in the world with reading of the book “Story of SADAKO”.

The activities occurred during the last two weeks of August and the art work was sent to Japan for display in December.
