*RESULTS AND ACHIEVEMENTS  
OF OUR PROJECTS*

2009 - 2010

# *CHILD DEVELOPMENT*

- ✓ 5,600 girls and boys were evaluated for basic information about their identity and health.
- ✓ 796(13%) of children were without birth certificates.
- ✓ 80% of the children did not have comprehensive health insurance.

- ✓ 52 Educational Institutions were integrated into the project to develop permanent changes.
- ✓ 250 Teachers were trained to promote healthy lives for children.
- ✓ 8,750 Pupils were informed about their rights to receive Birth Certificates and Health Insurance in 52 Educational Institutions.
- ✓ 6,000 parents received the results of our Program through Social Workers and Teachers.

# *PROMOTION OF HEALTH*

- ✓ **25 health facilities were involved: all were providing Basic Medical Services for children, evaluating their Growth and Development-CRED.**
- ✓ **More than 100 nurses and health professionals attended and participated in the training programs.**
- ✓ **Approximately 150,000 healthy children will be helped with the new medical devices donated.**

# *PROMOTING CHILDREN'S RIGHTS*

- ✓ Since 2008, the DEMUNA of Independencia has delivered over 300 birth certificates to children, including records and ID for their parents.
- ✓ More than 200 working-children were evaluated in our health campaigns.
- ✓ UGELs and health networks have collected information about our institution: Identity, SIS, Nutrition, Working Children statistics.

**We delivered over 400 backpacks with school supplies to children who work and study in North Lima.**

**An Art Project was developed for over 100 Working Children in Independencia.**

# ***INSTITUTIONAL DEVELOPMENT***

✓ TOE UGEL 04 developed it's Biannual Strategic Plan with projects and actions promoting healthy lives for children.

✓ Health networks organized campaigns to improve Pediatric services for children who attended CRED.

- ✓ City Halls (DEMUNA), Health Networks, Ugel and the Ministry of Women and Social Development now have more information regarding the Rights of Children in North Lima.
- ✓ Educational Institutions organized Advocacy Groups to protect the Rights of Children in coordination with Educational networks.
